

World class training and simulation, prototype fabrication, and business operations support

Delivering tactical operational results so you can focus on the strategic aspects of your mission

WHAT WE DO

- **Provide world class training and simulation support.** Nakuuruq frees you to focus on the effective training of personnel for their specialized, mission critical operational roles and responsibilities.
- **Manage staff and operations at your fabrication facility.** Nakuuruq frees you to devote your resources to engineering the innovative prototypes, on which the success of your mission depends.
- **Staff and manage your day-to-day base support business operations.** Nakuuruq frees you to engage your personnel on their strategic mission, inherently-governmental duties.
- **Support telecommunications acquisition and service support.** Nakuuruq frees you to focus on military or government-unique Command, Control, Communications, Computer and Intelligence functions.

KEY CUSTOMERS

- US Air Force-Agile Combat Support Directorate
- US Navy-Naval Surface Warfare Center
